GENERAL CONTRACTORS and CONSTRUCTION MANAGERS

August 29, 1983

Mr. William Casey
Director
Central Intelligence Agency
McLean, VA. 22101

RE: New C.I.A. Building
McLean, VA.

Dear Mr. Casey:

[redacted] Public Affairs Officer, suggested that we write to you directly regarding the construction of the new building your agency is planning, in McLean.

Fletcher and Sons, Inc. is a minority-owned firm and we have home offices in Melrose Park, PA. and regional offices at 6849 Old Dominion Drive in McLean.

We have built substantial-size new buildings, including a \$10 million, 80,000 sq. ft. office and research facility across the street from your complex, at the Federal Highway Administration.

We have also completed a \$6.5 million, 104,00 sq. ft. structure for N.A.S.A., at the Goddard Space Flight Center, in Greenbelt, MD.

Enclosed please find some reference material on Fletcher and Sons, Inc.

I would be particularly interested in speaking with you or your construction people about a minority-direct negotiation for the construction being planned. Please inform me as to what our next step should be.
